

Holding A Pencil

(TYPES OF PENCIL GRIP)

Learn Different Pencil Holding Techniques to Create Thick, Thin, and Smooth Lines While Drawing Neatly.

Material Required

◆ Pencil

Fun-Fact

Artists use different grips to draw many creative lines.

1. Thick and Loose Lines

To create this impact, hold the pencil between your index finger and thumb with a loose grip, as if you are picking it up. This grip is used to create thick and loose lines

2. Long Lines and Arcs

Hold the pencil at a length between your index finger and thumb. The relaxed grip allows you to create long, arced, and delicate lines.

3. Thick and Tight Lines

Hold the pencil between your thumb, index finger, and middle finger. The tip of the pencil should lie flat against the paper so that pressure is exerted on it. This grip is used to create thick and tight lines.

4. Thin and Controlled Lines

Hold the pencil between your index finger and thumb. This grip gives fine control over the pencil. It is used to create thin and controlled lines.

Coaster

(NEWSPAPER ART)

Create a useful coaster using rolled newspaper strips to learn recycling and creative craft skills.

Step 1 : Take some old news papers. Fold them one-by-one and make strips as shown.

Step 2 : Roll the strips in the shape of a coil.

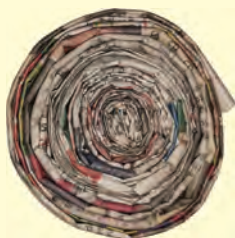

Step 3 : Make 8-12 rolls as shown.

Fun-Fact

"Recycling old paper can create beautiful, sustainable craft projects!"

Material Required

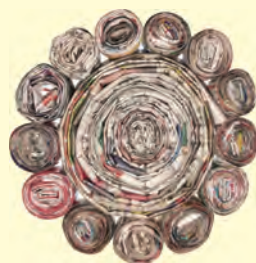

- ♦ Newspaper
- ♦ Glue

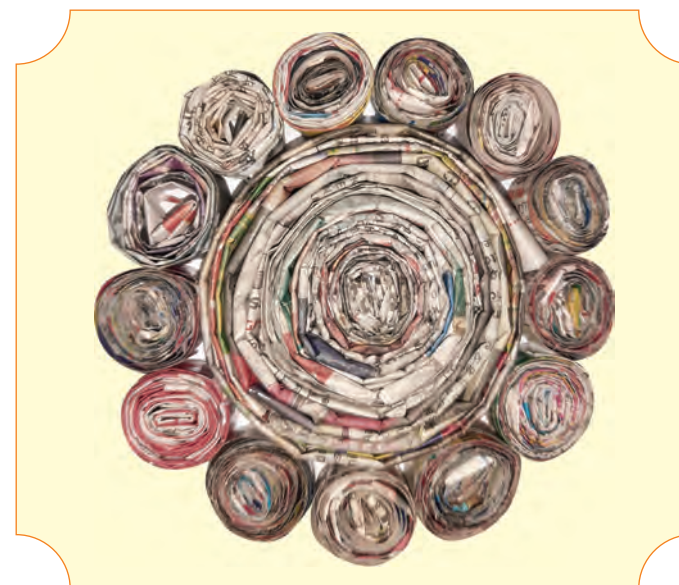

Step 4 : In the same way make a big roll by joining the strips.

Step 5 : Paste small rolls around the big roll as shown using glue.

Step 6 : A beautiful, handmade coaster is ready.
