Origami Purse

To make this purse, follow the instructions stepwise.

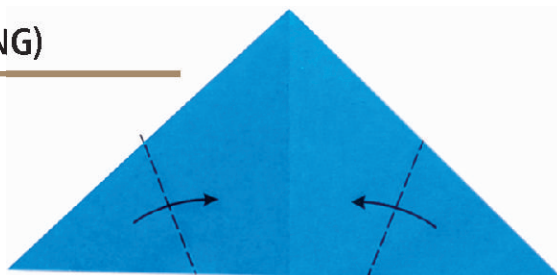

(PAPER FOLDING)

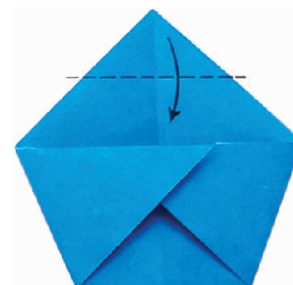

- 1 Fold the paper upwards to make a center crease.

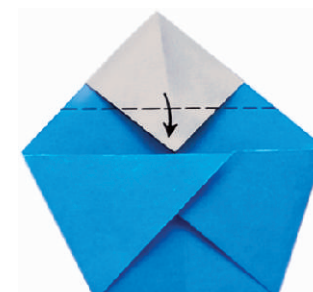

- 5 Now this half upper corner is to be folded, half downwards once again.

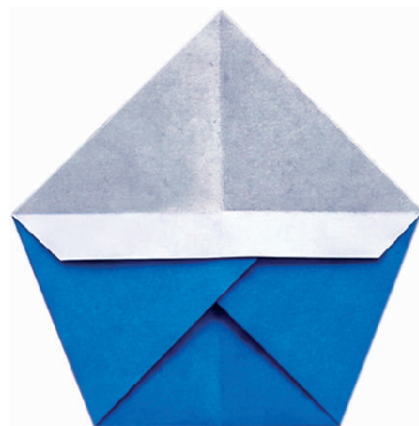

- 2 Left corner is to be folded to right side and similarly right corner is to be folded to left side.

- 3 Like this.

- 4 Only the facing upper corner is to be fixed towards inside into half touching its base.

- 6 Well! Your purse is ready. Fill it with money.

Fun-Fact
